

CONSCIOUSLY UNBIASED X HIRETALENT

As stewards of talent within organizations, you have the power to scale change. [Consciously Unbiased](#) and [HireTalent](#) are proud to be a sponsor the annual Contingent Workforce Strategies ([CWS](#)) [Summit North America](#) this year in downtown Phoenix on September 20 & 21.

It's close to my heart, because we began this journey of wanting to build collaboration among contingent, human resources and DEI professionals two years ago when we launched [Consciously Unbiased at the CWS Summit](#). We wanted to highlight the need to go beyond diversity spend to diversity hiring, and I was humbled by the response. It's time to collectively make that a reality.

For those of you who aren't familiar, Staffing Industry Analysts' (SIA) CWS Summit is the preeminent event for HR and procurement professionals who manage contingent labor programs. We wanted to extend an invite for you to attend CWS Summit **as our guest**.

Not only will you meet amazing people, but you'll also get to join in over 35 live sessions full of valuable insights to help you manage your program's changing needs, exchange ideas at the roundtable discussions, network with us and other suppliers in the CWS Summit exhibit hall, and experience new levels of engaging with other attendees, thought leaders and content in-person.

From thought-provoking keynote presentations to deep dive sessions on targeted topics to help you manage your workforce program, CWS Summit will provide you with the strategies, insights, and conversations you need to harness the future. Join us as we confront and explore Workforce Strategies for a New Tomorrow.

Please reserve September 20-21 in your calendar now and we're extending an invitation for a complimentary registration (worth \$1,000). Here is how: Register [online today](#) with sponsor code **HIR2021G**. You can also register with this code by contacting Staffing Industry Analysts' member services team at 800-950-9496 or memberservices@staffingindustry.com.

As enterprise leaders, especially those in HR and procurement, you have the power to lead the change for creating diversity and inclusion roadmaps that will have a big impact on your organization – and, in turn, on our society. We hope to see you in Phoenix this September. Please join us to be part of the change we want to see.
